

## Western Region

### Your Regional train and coach timetable

NSW TrainLink, run by NSW Trains, provides Regional train and coach services that connect regional centres in New South Wales to Sydney and to each other, as well as to Canberra, Brisbane and Melbourne.

NSW TrainLink also provides the Intercity train services that connect Sydney to the Central Coast and Newcastle, the Lower Hunter, the Blue Mountains, Lithgow and Bathurst, the South Coast and Southern Highlands. Intercity services seamlessly link with services provided by Sydney Trains.

If you have any questions about getting around on any NSW TrainLink services, just ask. Staff are here for you.

### Travelling with Regional services
